Critiques

I would like to again take this opportunity to thank the club for inviting me to judge at your specialty show it was an absolute pleasure. I would also like to thank and commend the exhibitors for the overall quality of the exhibits and the presentation of all the dogs which whether in full coat or not they were all presented at their very best. Thank you for your sportsmanship and acceptance of my places on the day. You have some lovely animals and the quality and soundness in movement of the exhibits high. It is always a pleasure to judge at specialist shows and I know I always go home having learned more about the breed I have judged.
